03

VISION FOR CHEMOTECH GROUP COMPANIES

# Vision, Mission & Values

**Our Vision**

**Uniquely serving customers with a clear understanding of their activity – which fuels our passion to provide innovative power solutions.**

## Our Mission

**Consistently exceeding customer satisfaction. For this, we are committed to:**

- Continue with a work culture that supports driving results & engagement
- Serve our customers' needs
- Respect customers' desires
- Provide tailored solutions to the customers' needs
- Apply a customer-driven strategy leading to improved customer satisfaction

## We Value

**Our values are our voice. We are committed to competitive excellence through:**

**A** **Passion**
We are always curious & accountable towards customers' needs.

**B** **Teamwork**
Strong interdisciplinary & interdepartmental cooperation.

**C** **Efficiency**
Efficient & effective services to our customers at an affordable cost.

**D** **Innovation**
Supporting trade enquiries, questioning products & underlying assumptions.

**E** **Profitability**
Instilling customer loyalty for sustainable profit growth.

**F** **Integrity**
We build business success and quality services on our commitment to ethical conduct.

04

SECTION 04

# About Chemotech

**CHEMOTECH is a young team of professionals who understand the concept of production, the quality of products and the way to present it. We have earned a reputation for professionalism while working with organisations of repute.**

Over time, CHEMOTECH has evolved into a stronger and more focused firm. Our team is more capable than ever, with a vast range of experience, and is always looking for new challenges. At CHEMOTECH, we strive to maintain a professional and ethical work environment that fosters creativity and teamwork. Our experience enables us to give you cost-effective, interactive, well-directed and brainstormed manufacturing without compromising on quality.

Ours is a unique combination of talents and services under one roof, with a relatively small group of professionals who stay focused exclusively on our clients and are versatile and capable of serving most client needs. We are able to deliver consistently excellent quality by specialising in core production services.

We are passionate about the quality of work we do. This is one of the reasons, we believe, that our clients have entrusted us with more and more challenging assignments over the years. Our consultative approach – content-driven and guided by the client's objectives – is time-tested and effective. Our most successful projects are usually collaborative efforts, in which the CHEMOTECH team and the client listen closely to each other, producing strategic and result-oriented solutions.

CHEMOTECH is tough under pressure and strong enough to lead your vision. You can rest assured that everything – from initial concept development, raw material purchase and production to management and direct marketing – will be handled seamlessly.

### END-TO-END, HANDLED SEAMLESSLY

| STEP 1 | STEP 2 | STEP 3 | STEP 4 | STEP 5 |
|---|---|---|---|---|
| Concept Development | Raw Material Purchase | Production | Management | Direct Marketing |

05

KEY PERSONS IN THE CHEMOTECH TEAM

# Our Team

**30+** years

## Raman Kumar Jha

**Operations & Project Handling**

A Mechanical Engineer with more than 30 years of experience in marketing and after-sales support for electro-mechanical equipment such as Diesel Generating Sets, Industrial Motors, Power and Distribution Transformers, Electrical Panels etc.

**25+** years

## Tapan Kumar Jha · Partner

**Sales & Marketing**

A Science Graduate with more than 25 years of experience in marketing and project execution.

**15+** years

## Shailendra Kumar Jha · Partner

**Sales & Marketing**

A Graduate with more than 15 years of experience in engineering material purchase and project execution, and 10 years' experience in sales and marketing of industrial equipment, consumables & chemicals.

**5+** years

## Mukund Jha

**Marketing & Project Handling**

A Graduate in Mechanical Engineering with more than 5 years of experience in industrial water treatment and steam distribution projects.

### SALES, DESIGN & SERVICE TEAM

**18 yrs**

**Murari Prashad**

Graduate

**Sales & Marketing**

**5 yrs**

**Ajitanshu Anand**

B.Tech – Electrical & Electronics

**Design, Programming, Sales & Support**

**5 yrs**

**Manish Kumar**

Graduate

**Sales & Services**

**2 yrs**

**Gunjan Kumar Mandal**

| **EXECUTION** | We execute turnkey projects in the shortest possible time with a totally professional approach, leaving clients totally satisfied.<br>**Quality-conscious approach**<br>**Safety, Health & Environment conscious** |
| **REPEAT ORDERS** | **REPEAT ORDERS FROM MANY CLIENTS**<br>Repeat orders from many satisfied clients for the same and other projects. The Chemotech team has earned the respect of many clients. |

06 · CHEMOTECH GROUP

# Our Execution Approach

Engineering, supply, system integration, installation, commissioning, maintenance and after-sales support.

**01**

Understand the process requirement and operating conditions.

**02**

Develop the appropriate technical solution and equipment selection.

**03**

Coordinate electrical, instrumentation, automation and process requirements.

**04**

Supply and integrate equipment, panels, instruments and associated systems.

**05**

Support installation, testing and commissioning.

**06**

Provide troubleshooting, preventive maintenance and ongoing service support.

## Why Work With Us

- Single-point coordination across process, electrical and automation requirements.
- Practical engineering focused on reliability, maintainability and ease of operation.
- Wide product portfolio for industrial utilities and process applications.
- Capability to integrate third-party equipment with PLC / HMI / SCADA based controls.
- Service-oriented support for commissioning, troubleshooting and plant improvement.

07

INDIA · NEPAL · BHUTAN

# Our Presence

**We supply & serve the following industries in India / Nepal / Bhutan:**

| | | | |
|---|---|---|---|
| Ayurvedic | Breweries | Cement | Chemicals |
| Distilleries | Pharmaceuticals | Hospital & Hospitality | FMCG |
| All Types of Government's Projects | Food & Beverages | Nonwoven & Wovensac | OEM |
| Paper | Plastics | Steel | Spinning |
| Soft Drinks & Brewery | Textiles | Tobacco | Sugar |

08

LIST OF PRODUCTS · PART A

# Electrical & Power Solutions

## 1 · Electrical Works & Power Distribution — 20 products

| | |
|---|---|
| PANELS | HT Panel · LT Panel · MCC Panel · MF Panel · Synchronizing Panel · Control & Machine Control Panels · Feeder Pillars |
| SWITCHGEAR & DISTRIBUTION | MCCB · MCB, ELCB & Distribution Boards · Transformers (Oil / Dry Type) · Unitised Substations · Diesel Generating Sets |
| CABLES & WIRING | Industrial Cabling – HT & LT · Internal Wiring & PVC Conduits |
| LIGHTING & FANS | LED Light Fixtures · Street Lighting & Poles · Ceiling & Exhaust Fans |
| EARTHING & SAFETY | Earthing & Chemical Earthing · Lightning & Surge Protection · Fire Detection & Alarm (FDA) Systems |

## 2 · Power Backup & Energy — 8 products

| | |
|---|---|
| UPS & BACKUP | Online UPS Systems · Batteries – Lithium-ion & VRLA · Servo Voltage Stabilizers |
| POWER QUALITY | Active Harmonic Filter (AHF / PQC) · APFC Panels · VAR Generators (Power Factor Controller) |
| RENEWABLE & EV | Solar Power Systems · Delta EV Charging (AC & DC) |

## 3 · Automation & Instrumentation — 15 products

| | |
|---|---|
| DRIVES & MOTION | Variable Frequency Drives (VFD) · Servo Motors & Servo Drives · Actuator Motors |
| CONTROL SYSTEMS | PLC · HMI · SMPS · SCADA System · Automatic Dam Gate Control System · Robotics |
| INSTRUMENTATION | Sensors · Water Sensors · Pressure Transmitters · Temperature Controllers · Flow Meters · BOD / COD Analysers |

08

LIST OF PRODUCTS · PART B

# Process, Water & Building Solutions

## 4 · Water, Steam & Process Utilities — 13 products

| | |
|---|---|
| WATER & WASTEWATER | Water Treatment Plant (WTP) · Effluent Treatment Plant (ETP) · Sewage Treatment Plant (STP) |
| STEAM UTILITIES | Steam Distribution Lines · PRV / PRS · Condensate Recovery Systems · Steam Traps |
| VALVES | Control Valves · Butterfly Valves · SS Valves |
| PIPING & FABRICATION | SS Pipe Lines, Fittings & Fabrication · SS Tanks · Compressor Pipe Lines |

## 5 · Process Chemicals & Hygiene — 6 products

| | |
|---|---|
| PROCESS CHEMICALS | Cleaning & Hygienic Chemicals · CIP Chemicals · Water Treatment Chemicals · Diatomaceous Earth – Filter Aid Powder |
| LUBRICATION & HYGIENE | Conveyor Lubrication Chemicals & System · Hygiene Stations |

## 6 · Building & Infrastructure Solutions — 4 products

| | |
|---|---|
| BUILDING SYSTEMS | Building Management System (BMS) · Delta LED Screen / Video Wall |
| INFRASTRUCTURE | Pre-Fab Structures (Puff / FUF Panel) · Plastic Pallets & Palletizers |

Electrical contractor licences – Bihar & Delhi

DELTA
Business partner – Taiwan-based, global turnover ~US$ 8 Bn

09

SECTION 09

# Our Solutions & Business Partners

## Complete Water Treatment Solution for Industries

## VFD / PLC & Automation

Taiwan-based **Delta** make – complete range of Variable Frequency Drives, PLC, HMI, Robotics, BMS / EMS etc.

**Variable Frequency Drive**

**PLC**

**HMI**

## Uninterrupted Power Supply

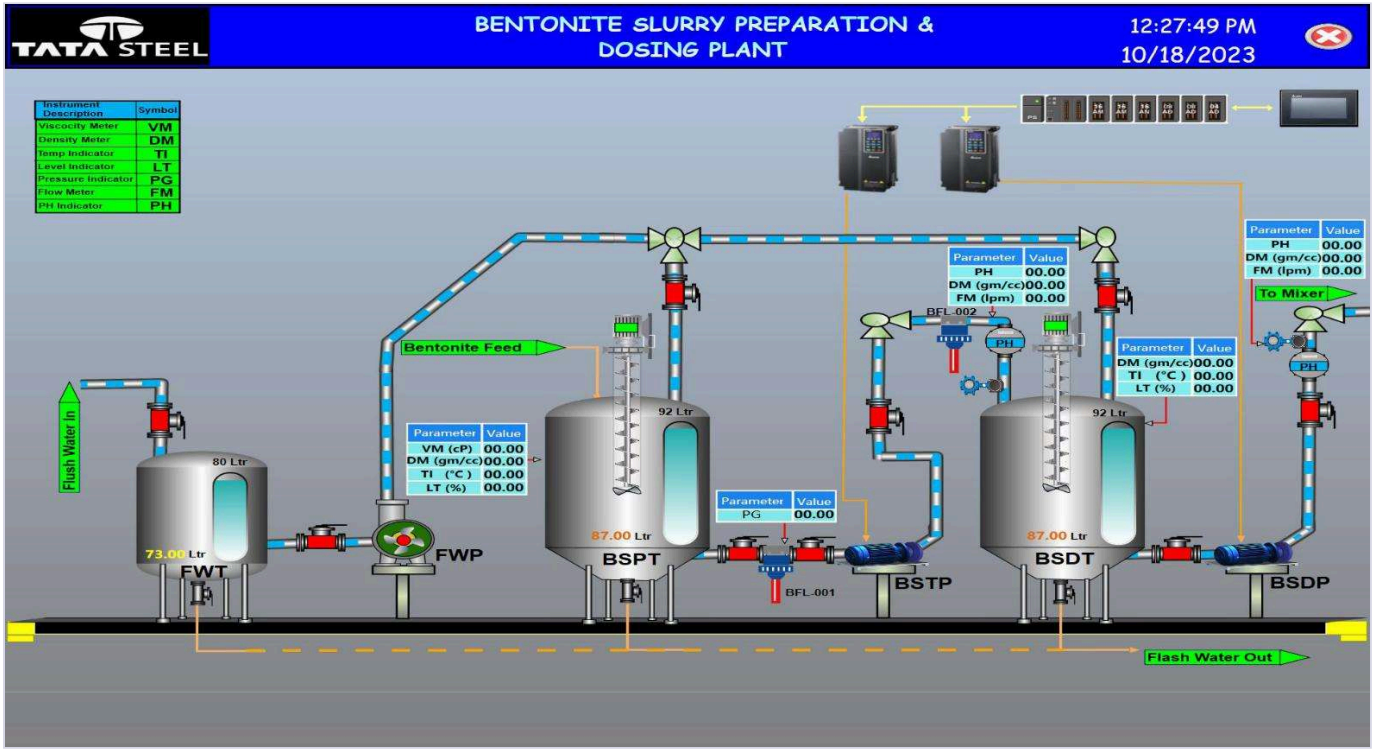

**Delta** – a leading manufacturer of online UPS systems globally, from 1 kVA to 4000 kVA, with a global turnover of about US$ 8 Billion.

**1 – 4000 kVA**
Online UPS range

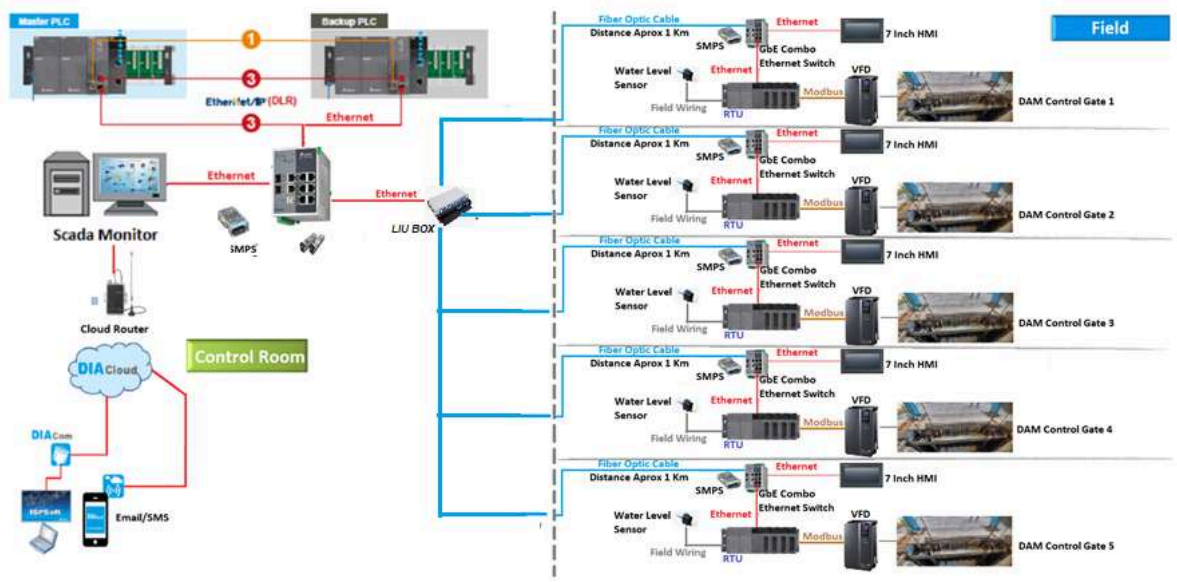

**~US$ 8 Bn**
Delta global turnover

DELTA

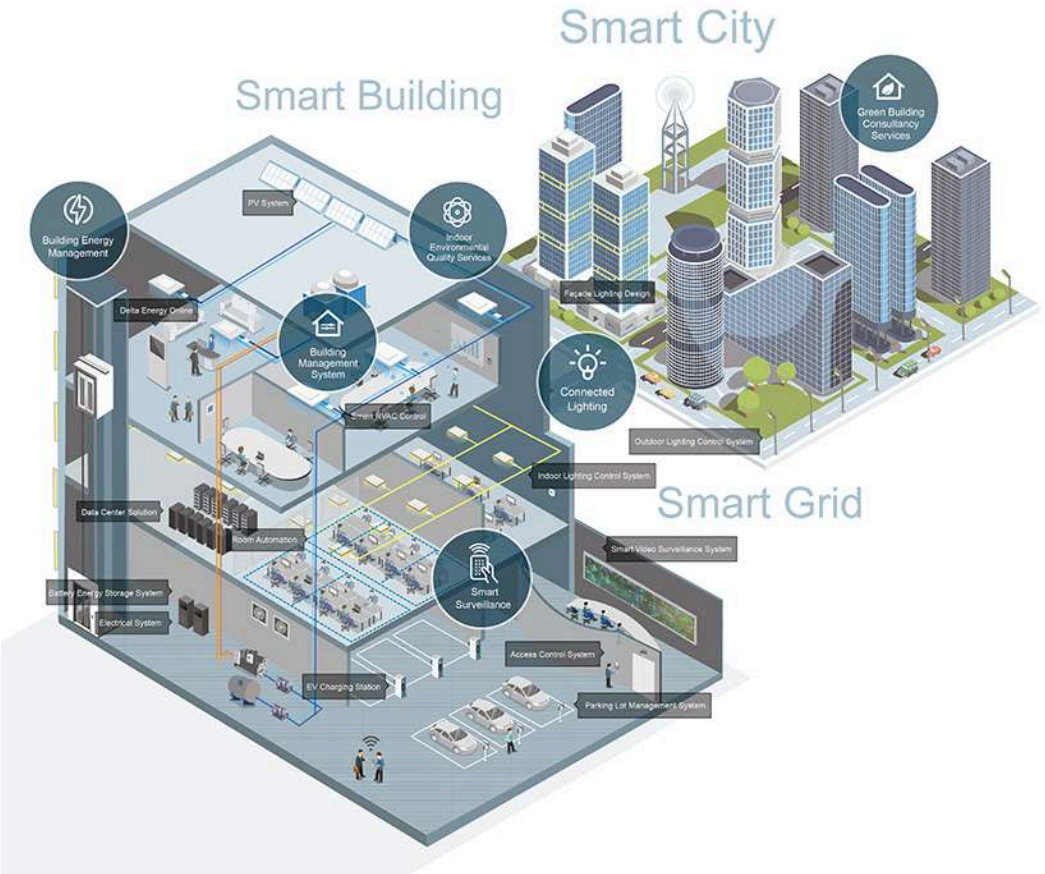

## SCADA System

## Automatic Dam Gate Control Solutions

## Delta Building Management Solution

## FUF Panel

Building, Clean Room, Godown, Cold Storage

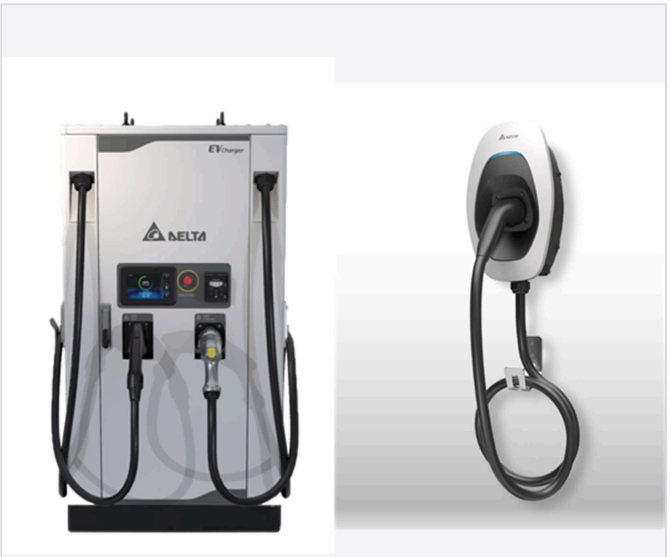

## Servo Voltage Stabilizer

## Video Wall

LED Screen / Video Wall

## EV Charger AC & DC
