WORK PROFILE

ELECTRICAL WORKS • POWER & ENERGY • AUTOMATION • WATER & PROCESS UTILITIES • CHEMICALS • BUILDING SOLUTIONS

Chemotech International provides integrated industrial solutions covering electrical works, power and energy, automation and control systems, water treatment plants, process utilities, process chemicals and specialised building systems.

Our Core Work

We work with industries, commercial facilities, government and infrastructure projects and process plants for engineering, supply, system integration, installation, commissioning, maintenance and after-sales support. Our approach combines process understanding with electrical, automation and utility expertise to deliver practical and reliable solutions.

01
Electrical Works & Power Distribution

HT / LT, MCC and synchronising panels, substations, transformers, DG sets, switchgear, industrial cabling, lighting, earthing and fire detection & alarm systems.

02
Power Backup, Quality & Energy

Online UPS, batteries, servo stabilisers, harmonic filters, APFC / VAR solutions, solar power, EV charging and energy management.

03
Automation & Instrumentation

VFDs, servo drives, PLC, HMI, SCADA, robotics, sensors, transmitters, flow meters, analysers and dam-gate automation.

04
Water, Steam & Process Utilities

WTP, ETP, STP, RO, softening, filtration, pumping, steam distribution, PRV / PRS, condensate recovery, valves, SS piping and tanks.

05
Process Chemicals & Hygiene

Cleaning, hygiene and CIP chemicals, water-treatment chemicals, conveyor lubrication, DE filter-aid powder and hygiene stations.

06
Building & Infrastructure Solutions

BMS, basement ventilation, LED screens / video walls, pre-fab puff panel structures, plastic pallets and palletisers.

Licences & Registrations

Electrical Contractor Licence – Delhi
Govt. of NCT of Delhi · valid till 2050

Electrical Contractor Licence – Bihar
Electrical Licensing Board, Patna

BCD Bihar – Class 3 Contractor
Building Construction Department

MSME – Udyam (Micro)
GST registered in Bihar & Delhi

Detailed Work Profile

1. Electrical Works & Power Distribution	
HT & LT Panels	HT Panel · LT Panel · MCC Panel · MF Panel · Synchronising Panel · Electrical Distribution Panels · Control & Machine Control Panels · Feeder Pillars
Substations, Transformers & Generation	Unitised Substations · Transformers · CT / PT – Cast Resin · Diesel Generating Sets
Switchgear & Protection	MCCB · MCB · ELCB / RCCB · Distribution Boards (DBs) · HRC Fuses · Contactors · Timers & Relays · APFC Relays
Control, Indication & Metering	Selector Switches · Rotary & Toggle Switches · Push Buttons · Indicating Lamps / LED Indicating Lights · Terminal Blocks · Voltmeters & Ammeters · Digital Meters
Cables, Wires & Accessories	Industrial Cabling – HT & LT Power Cables · PVC Insulated Copper Wires · Telephone Wires · Telephone Tag Blocks · PVC Conduits · PVC Conduit Accessories · Cable Glands · Cable Lugs
Wiring Accessories	Modular Switches & Sockets · Ceiling Roses & Allied Accessories · Laminated Sheets
Lighting & Fans	LED Light Fixtures · Fluorescent Light Fixtures · Street Lighting Solutions · Lighting Poles · Ceiling Fans · Exhaust Fans
Earthing, Lightning & Surge Protection	Earthing · Chemical Earthing · Lightning Protection System · Surge Protection System
Fire Detection & Alarm (FDA)	Main FDA Panel · Manual Call Points · Response Indicators · Smoke Detectors · Heat Detectors · Public Address System
Vertical Transport	Lifts

2. Power Backup, Quality & Energy	
UPS & Batteries	Online UPS Systems · Lithium-ion Batteries · VRLA Batteries
Voltage Regulation	Servo Voltage Stabilisers
Power Quality & Power Factor	Active Harmonic Filter · Harmonic Filters · APFC Panels · VAR Generators
Renewable Energy & e-Mobility	Solar Power Systems · EV Chargers – AC · EV Chargers – DC
Energy Management	Energy / Power Management Systems (EMS)

3. Automation & Instrumentation	
Drives & Motion	Variable Frequency Drives · Servo Motors · Servo Drives · Actuator Motors
Control Systems	PLC · HMI · SMPS · SCADA System · Plant & Machine Automation · Industrial Robotics
Instrumentation	Sensors · Water Sensors · Pressure Transmitters · Temperature Controllers · Flow Meters · BOD / COD Analysers
Special Automation Systems	Automatic Dam Gate Control System

4. Water, Steam & Process Utilities	
Water & Wastewater Treatment	Water Treatment Plant (WTP) · Effluent Treatment Plant (ETP) · Sewage Treatment Plant (STP) · RO Systems · Softening Plants · Filtration & Clarification Equipment · Pumping Systems · Water Conditioning Equipment
Steam Utilities	Steam Distribution Pipelines · PRV / PRS · Condensate Recovery Systems · Steam Traps
Valves	Control Valves / Actuated Valves · Butterfly Valves · SS Valves
Piping, Tanks & Fabrication	SS Pipelines & Fittings · SS Fabrication · SS Tanks · Compressed-Air Pipelines · Process Piping

5. Process Chemicals & Hygiene	
Cleaning & Process Chemicals	Cleaning & Hygiene Chemicals · CIP Chemicals · Water Treatment Chemicals · Diatomaceous Earth (DE) – Filter Aid Powder
Lubrication & Hygiene Equipment	Conveyor Lubrication Chemicals · Conveyor Lubrication Systems · Hygiene Stations

6. Building & Infrastructure Solutions	
Building Systems	Building Management System · Basement Ventilation · LED Screen / Video Wall
Pre-Fab Structures & Material Handling	Pre-Fab Structures – Puff / FUF Panel · Plastic Pallets · Palletisers

Capabilities at a Glance

Work Area	Key Solutions
Electrical Works & Power Distribution	HT & LT Panels • Substations, Transformers & Generation • Switchgear & Protection • Control, Indication & Metering • Cables, Wires & Accessories • Wiring Accessories • Lighting & Fans • Earthing, Lightning & Surge Protection • Fire Detection & Alarm (FDA) • Vertical Transport
Power Backup, Quality & Energy	UPS & Batteries • Voltage Regulation • Power Quality & Power Factor • Renewable Energy & e-Mobility • Energy Management
Automation & Instrumentation	Drives & Motion • Control Systems • Instrumentation • Special Automation Systems
Water, Steam & Process Utilities	Water & Wastewater Treatment • Steam Utilities • Valves • Piping, Tanks & Fabrication
Process Chemicals & Hygiene	Cleaning & Process Chemicals • Lubrication & Hygiene Equipment
Building & Infrastructure Solutions	Building Systems • Pre-Fab Structures & Material Handling

Our Execution Approach

01
Understand the process requirement and operating conditions.

02
Develop the appropriate technical solution and equipment selection.

03
Coordinate electrical, instrumentation, automation and process requirements.

04
Supply and integrate equipment, panels, instruments and associated systems.

05
Support installation, testing and commissioning.

06
Provide troubleshooting, preventive maintenance and ongoing service support.

Why Work With Us

- Single-point coordination across process, electrical and automation requirements.
- Practical engineering focused on reliability, maintainability and ease of operation.
- Wide product portfolio for industrial utilities and process applications.
- Capability to integrate third-party equipment with PLC / HMI / SCADA based controls.
- Service-oriented support for commissioning, troubleshooting and plant improvement.
- Licensed electrical contractor in Bihar and Delhi; BCD Bihar Class 3 registered.

Registration Details

LICENCE / REGISTRATION	NUMBER	VALIDITY
Electrical Contractor Licence – Delhi (Labour Dept., GNCTD)	**Appl. No. 50590000009296**	16/06/2025 – 15/06/2050
Electrical Contractor Licence – Bihar (Electrical Licensing Board)	**Regn. No. 50/2025**	08/07/2025 – 07/07/2030
Building Construction Department, Bihar – Class 3	**Regn. No. 3260569**	08/07/2026 – 07/07/2031
GST – Bihar	**10AATFC8340G1ZJ**	From 21/06/2024
GST – Delhi	**07AATFC8340G1Z6**	From 01/06/2024
PAN	**AATFC8340G**	—
Udyam (MSME) – Micro	**UDYAM-BR-26-0136033**	Registered 10/07/2024
Firm Registration – Bihar	**F2600000083**	Registered 21/04/2026
