WORK PROFILE

ELECTRICAL WORKS • POWER & ENERGY • AUTOMATION • WATER & PROCESS UTILITIES • CHEMICALS & HYGIENE • BUILDING SOLUTIONS • ICT & SECURITY

Chemotech International provides integrated industrial solutions covering electrical works, power and energy, automation and control systems, water treatment plants, process utilities, process chemicals, hygiene systems, specialised building systems and low-voltage / ICT systems.

Our Core Work

We work with industries, commercial facilities, government and infrastructure projects and process plants for engineering, supply, system integration, installation, commissioning, maintenance and after-sales support. Our approach combines process understanding with electrical, automation and utility expertise to deliver practical and reliable solutions.

01
Electrical Works & Power Distribution

HT / LT, MCC and synchronising panels, busbars, substations, transformers, switchgear, metering, industrial cabling, wiring and lighting, earthing, surge protection and fire detection & alarm systems.

02
Power Backup, Quality & Energy

Online UPS, data-centre infrastructure, batteries, multi-brand Diesel Generator Sets with service & spares, servo stabilisers, harmonic filters, APFC / VAR solutions, solar power, EV charging and energy management.

03
Automation & Instrumentation

VFDs, servo drives, PLC, HMI, SCADA, robotics, sensors, transmitters, flow meters, analysers and dam-gate automation.

04
Water, Steam & Process Utilities

WTP, ETP, STP, industrial RO, DM, softening, UF, packaged drinking water, membranes, pumps, steam distribution, PRV / PRS, condensate recovery, valves, SS piping and tanks.

05
Process Chemicals & Hygiene Systems

Cleaning, hygiene and CIP chemicals, water-treatment chemicals, conveyor lubrication, DE filter-aid powder, hygiene stations and cleanroom entry systems.

06
Building & Infrastructure Solutions

BMS, basement ventilation, LED screens / video walls, PUF / PIR pre-fab structures, clean rooms, cold rooms, plastic pallets and palletisers.

07
Low-Voltage, ICT & Security Systems

Structured cabling and networking, CCTV and NVR systems, workstations, FHD LED displays, IP-PBX and telephone systems.

Licences & Registrations

Electrical Contractor Licence – Delhi
Govt. of NCT of Delhi · valid till 2050

Electrical Contractor Licence – Bihar
Electrical Licensing Board, Patna

BCD Bihar – Class 3 Contractor
Also registered on Haryana Engineering Works Portal

MSME – Udyam (Micro)
GST registered in Bihar & Delhi

Detailed Work Profile

1. Power Distribution

PRODUCT	DESCRIPTION	MAIN MAKES
HT Panels	11 kV VCB / SF6 panels, indoor & outdoor kiosk type, HT metering	Paikane · Trijal Electrikals · Recon · Tricolite
LT / PCC & Distribution Panels	Main LT, PCC, MF & sub-distribution panels with ACB / MCCB incomers, bus bars & bus ducts	Alpha MHO Enterprises · BVCS · Neptune
MCC & Motor Control Panels	DOL, star-delta, soft-starter & VFD feeders; control & machine control panels	Trijal Electrikals · Shivalik · SPC Electrotech
Synchronising & AMF Panels	DG–DG / DG–grid synchronising, auto load sharing, AMF & DG control panels	Deep Sea · DEIF
APFC & Capacitor Panels	Automatic & fixed power-factor correction panels	Ducati
Feeder Pillars & Street-Light Panels	Outdoor feeder pillars, timer-based street-lighting panels	Electro Allied Products
Transformers	Oil & dry type, OLTC / OCTC, isolation & special-purpose transformers, CT / PT – cast resin	Jindal Electric · Unimag · Pooja · Voltamp
Compact / Unitised Substations	CSS / USS with HT switchgear, transformer & LT panel in one enclosure	Schneider
Diesel Generator Sets	Silent / open, CPCB IV+, multi-brand as per customer's choice; engines, alternators & controllers **We are a leading supplier of multi-brand Diesel Generator Sets as per customer's choice.** We also provide service and spare parts for generators of any brand.	Kirloskar · Paikane · Sterling · Mahindra
DG Service & Spare Parts	Installation, synchronisation, service, overhaul & spares for generators of any brand	Cummins · Perkins · Eicher · Baudouin

2. Switchgear & Controls

PRODUCT	DESCRIPTION	MAIN MAKES
Circuit Breakers	ACB, VCB, MCCB & MCB – microprocessor & thermo-magnetic releases	L&T · ABB
Earth-Leakage Protection	ELCB, RCCB & RCBO – 30 / 100 / 300 mA	Legrand
Distribution Boards	SPN / TPN, single & double door, IP-rated DBs	Havells
Isolators, Changeover & ATS	Switch-disconnectors, manual changeover switches, automatic transfer switch	C&S Electric
Contactors, Starters & Relays	Contactors, motor starters, timers, numerical & APFC relays, HRC fuses	Siemens
Control, Indication & Metering	Selector / rotary / toggle switches, push buttons, indicating lamps, terminal blocks, analogue & digital meters, trivector meters	Elmex · Connectwell · WAGO · Automatic Electric

3. Cabling, Lighting & Safety

PRODUCT	DESCRIPTION	MAIN MAKES
HT & LT Power & Control Cables	XLPE / PVC armoured, copper & aluminium power and control cables	KEI · Finolex
Wires & Special Cables	FRLS / FR wires, fire survival, instrumentation & signal, special, telephone & coaxial cables	Survival Wire & Cables (SCL) · RR Kabel · Polycab
Cable Accessories & Containment	Jointing & termination kits, glands, lugs, cable trays, PVC / MS conduits, DWC HDPE pipes	3M · Dowells · Comet · M Seal
Wiring Accessories	Modular switches & sockets, industrial sockets, ceiling roses, laminated sheets	Anchor · Century
Indoor & Industrial LED Lighting	LED fixtures, high-bay, flood & façade lighting, lighting control	Philips · Bajaj
Street, Area & Solar Lighting	LED street lights, poles, high-mast & solar street lights	Transrail · Valmont
Fans	Ceiling, exhaust & wall fans	Crompton Greaves · Orient
Earthing & Lightning Protection	Pipe / plate & chemical earthing, ESE lightning arresters, surge protection devices	Leesas · GPS · Wallis · Topbas · MSS
Fire Detection & Alarm	Conventional / addressable FDA panels, manual call points, response indicators, smoke & heat detectors, fire extinguishers	Ravel · Notifier · Hochiki
Public Address & Sound Systems	PA amplifiers, speakers / hooters, microphones & PA consoles	Bonex · Bronx · Brahler · Bosch

4. Power Backup & Energy

PRODUCT	DESCRIPTION	MAIN MAKES
Online UPS & Data Centre Power	1 – 4000 kVA online & modular UPS, data-centre infrastructure	**Delta · Krykard · Vertiv · Eaton**
Inverters, Batteries & Chargers	Inverters, lithium-ion & VRLA batteries, energy storage, battery chargers	**Exide · Amaron · Rocket · Jupiter · NPS**
Voltage Stabilisers & Regulators	Servo stabilisers, static voltage regulators, automatic voltage controllers, AC variable supplies	**Krykard · Jindal Electric**
Harmonic Filters & PF Correction	AHF (PQC), harmonic filters, power capacitors, VAR generators	**Delta**
Energy Management System	Energy metering, monitoring & dashboards	**Delta**
Solar Power Systems	Rooftop & ground-mounted, on / off-grid, solar inverters	**Solary Solutions · Techno Power · Steam Force · IAVS**
EV Chargers	AC wall-mount & DC fast chargers	**Delta**

5. Automation & Instrumentation

PRODUCT	DESCRIPTION	MAIN MAKES
Electrical Motors & Actuators	LT induction motors IE2 / IE3, actuator motors	**Marathon**
VFD & Servo Drives	Variable frequency drives, servo motors & drives	**Delta**
PLC, HMI & SCADA	PLC, HMI, SMPS, SCADA, industrial PCs & IIoT	**Delta**
Plant Automation & Robotics	Plant & machine automation, industrial robots, automatic dam-gate control	**Delta**
Instrumentation	Sensors, water sensors, pressure / temperature / flow instruments, BOD / COD analysers, power-quality & test instruments	**Baumer · Krykard**

6. Water & Process

PRODUCT	DESCRIPTION	MAIN MAKES
Water Treatment Plants (WTP)	Industrial, institutional & township WTP, filtration & clarification	**Micro Filteration Technologies**
Effluent Treatment Plants (ETP)	ETP, effluent recycling & zero-liquid discharge	**Micro Filteration Technologies**
Sewage Treatment Plants (STP)	MBBR, SBR & MBR sewage treatment plants	**Micro Filteration Technologies**
RO, DM, Softening & UF Plants	Industrial RO, DM, softeners, UF & packaged drinking water plants	**Dow · LG · Hydramem**
Water Treatment Components & O&M	Pumps, membranes, FRP vessels, media, MBBR media, dosing & annual O&M	**Grundfos · Lubi · CRI · Pentair · Ion Exchange**
Steam, Valves & Piping	Steam lines, PRV / PRS, condensate recovery, steam traps, control / butterfly / normal / SS valves, SS & compressed-air piping, fabrication & tanks	**Jindal Steel**
Process Chemicals & Lubrication	Water-treatment chemicals, DE filter aid, conveyor lubrication chemicals & systems	**Chemotech**
Hygiene Stations	Touch-free SS 304 hygiene & cleanroom-entry systems	**Nexgen Hygiene Systems**

7. Building & ICT

PRODUCT	DESCRIPTION	MAIN MAKES
Building Management System	BMS with HVAC & lighting integration	**Loytec · Honeywell**
Lifts	Passenger & goods lifts	**Otis · Johnson · Mitsubishi**
Air-Conditioning & Ventilation	Split ACs, basement ventilation	**Daikin · Voltas**
LED Screens & Video Walls	Indoor / outdoor LED screens, control-room video walls	**Delta**
Pre-Fab Structures & Material Handling	PUF / PIR & rockwool panels, porta cabins, cold rooms, clean rooms, insulated doors, refrigerated vans, pallets & palletisers	**Dignus Infra**
Structured Cabling & Networking (LAN)	Cat6A & fibre cabling, face plates, switches, routers, PoE switches & racks	**D-Link · TP-Link · Cisco · Syrotech**
CCTV & Security	IP / analogue CCTV cameras, network video recorders	**CP Plus · Prama · Sparsh · Bonex**
IT & Communication	Workstations, FHD displays, IP-PBX / EPABX & IP phones	**Lenovo · HP · Dell · Grandstream**

8. Services

PRODUCT	DESCRIPTION	MAIN MAKES
Electrical Installation & Contracting	Licensed contractor (Bihar & Delhi): internal & external electrification, substation, cabling & earthing works	Chemotech
Testing, Commissioning, O&M & AMC	Testing & commissioning, troubleshooting, preventive maintenance & AMC for all supplied systems	Chemotech

Also: 50+ industrial RO / WTP plants for paper mills and industries, 25 STP projects for townships, universities and hospitals, sugar mills, dairy ETPs and Pradhan Mantri Awas Yojana projects.

Our Execution Approach

01
Understand the process requirement and operating conditions.

02
Develop the appropriate technical solution and equipment selection.

03
Coordinate electrical, instrumentation, automation and process requirements.

04
Supply and integrate equipment, panels, instruments and associated systems.

05
Support installation, testing and commissioning.

06
Provide troubleshooting, preventive maintenance and ongoing service support.

Why Work With Us

- Single-point coordination across process, electrical and automation requirements.
- Practical engineering focused on reliability, maintainability and ease of operation.
- Wide product portfolio for industrial utilities and process applications.
- Capability to integrate third-party equipment with PLC / HMI / SCADA based controls.
- Service-oriented support for commissioning, troubleshooting and plant improvement.
- Licensed electrical contractor in Bihar and Delhi; BCD Bihar Class 3 and Haryana Engineering Works Portal registered.
